

BLACK FRIDAY

YELLOW MONDAY

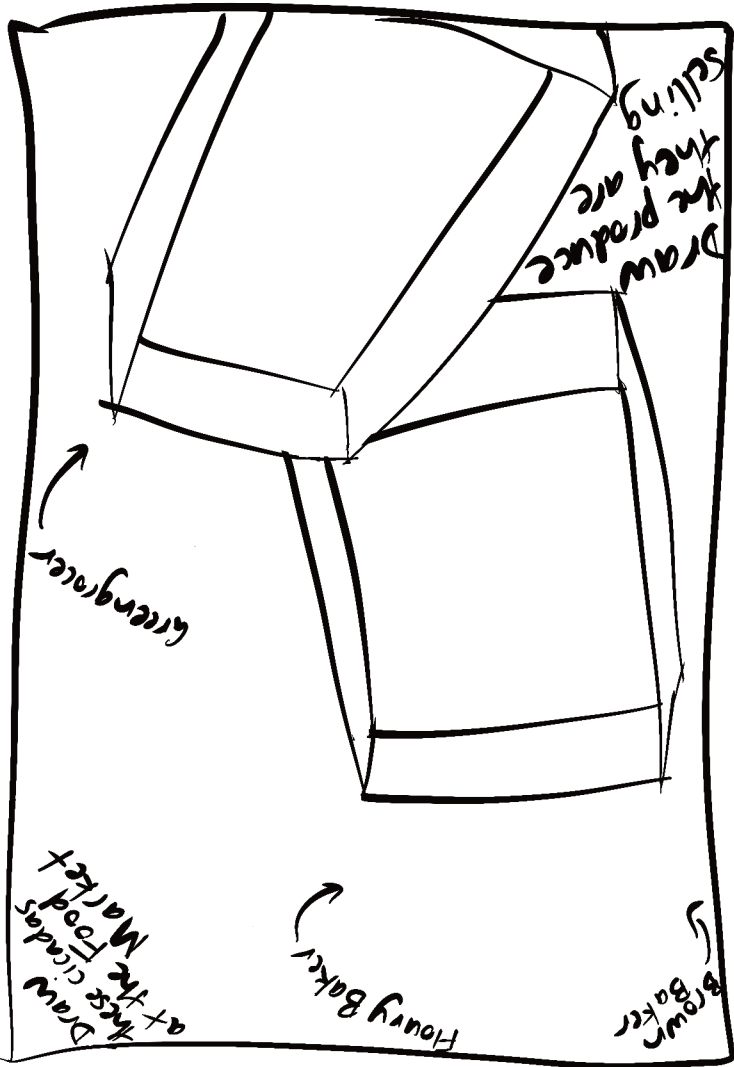

Two cicadas are named after days of the week, add your inventive ideas and some colour!

Cicadas

are sap-sucking herbivores in your garden!

All the cicada names in this line are real...

Research it!

Drawn by Ethel Stephens in 1886. Find it online by typing "Phillip Parker King album of drawings and engravings" into the State Library catalogue. It is image number 35.

What crazy cicada names can you invent?

Double Drummer, Orange Drummer and Bagpipe cicadas are in the band. Draw them and name the band and name the backup singers!
